

## California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year  
Published During 2023 - 2024

**For: Charles Mack Elementary**

**Address:** 4701 Brookfield Dr, Sacramento, CA 95823  
**Principal:** Samantha Moorer

**Phone:** 916-422-5524  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2023 - 2024)

At Charles Mack, our mission is to educate the whole child through equitable practices, exemplary instruction, and a partnership with our community. In the 2022-2023 school year, Mack Elementary was awarded the PBIS Gold award for our efforts to incentivize students who follow our schoolwide expectations of being safe, respectful, and responsible. Our staff, students and families have lived and embraced this mission and as a result, our students are experiencing academic and social emotional growth. This year's school theme is: Today's Readers. Tomorrow's Leaders.

Our staff works hard every year to help students fill in academic gaps and bolster learning. In addition, there is a strong focus on addressing the social emotional needs of students and teachers through classroom activities, an increase in wellness providers, class discussions, the Second Step Program, reading, and individual projects. Teachers are making learning meaningful and purposeful while attending to the thoughts, feelings, and personal expressions of their students.

Parent university events at Charles Mack teach modeled strategies that can be used by parents at home. In combination with our expanding list of family-teacher run activities, the Charles Mack community continues to strengthen the existing parent-teacher bond while promoting family and togetherness. In addition, our Mustang Academy provides all Charles Mack students with access to a menu of athletic, academic, and musical enrichment opportunities.

It is on these actions and commitments that we proudly engage our motto:  
"From Mack, to Jackman, to Valley, to College"

Sincerely,  
Samantha Moorer, Principal

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Preparation and Placement (School Year 2020 - 2021)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

## School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Charles Mack Elementary's main campus was originally built in 1965. Our school currently has 35 classrooms, a multipurpose room, a library, a computer lab and an administration building. Additions were constructed in 1968 and 1972. The current multipurpose room was built in 1990, and in 2000, additional permanent classrooms were added. In 2014, a new walkway, new fencing, increased drainage and new sod were done, and an initial remodel for the parking lot has been completed. In 2017, a new, extended parking lot replaced the old one. In 2021, security cameras were added for campus monitoring. In the summer of 2022, all permanent buildings received new roofs and all classrooms were upgraded. In the summer 2023, a new playground was created.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's Maintenance and Grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects and emergency repair needs are immediately resolved. School's custodians work as a team and with the administrators to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day for safety and sanitation. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Thanks to the district's governing board, the Facilities and Planning department, and the support of the Charles Mack community, modernization projects have been done inside and outside our buildings. The HVAC system in the A wing will be replaced in summer 2024.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2021 - 2022	School 2022 - 2023	District 2021 - 2022	District 2022 - 2023	State 2021 - 2022	State 2022 - 2023

Mathematics (grades 3-8 and 11)	21%	20%	40%	40%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2023 - 2024)

In addition to the support of our FTO (Family Teacher Organization) organization, we support Back to School Night, host an ESL program twice a week, ELAC, Chai Bah Mah group for Afghani moms, numerous literacy nights, Open House, Parent Universities, and more. Our daily Coffee Talk in the morning provides a relaxed forum for parents and school personnel to talk about new and fresh ideas for the school and to share information. For more information, please contact our school secretary, Shandra King, at 422-5524 or slking@egusd.net.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2023 - 2024)

Staff and parents reviewed the Comprehensive School Safety Plan in September 2023 to include documentation of new safety precautions, modifications to our Positive Behavior Intervention Support model, and new suspension data. From 7:30 when breakfast starts to 5:30 when our ASES after school program ends, students who are on campus are safe from harm and well supervised. Access to the school is controlled through locked gates at entry points around the school, and visitors are required to sign in at the office upon arrival and get either a visitor sticker or lanyard to wear while they are on campus. We are a closed campus from 8:10am to dismissal. Our Emergency Response Procedures are available in every classroom, and students have numerous opportunities to practice them through various preparatory and practice drills throughout the year.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Average Class Size and Class Size Distribution (Elementary) (School Year 2020 - 2021)

### Types of Services Funded (Fiscal Year 2023 - 2024)

Mack provides numerous programs and supports for students. Our workshop intervention model provides daily small group instruction student based on identified needs. Additional support from highly qualified AITs (Academic Intervention Teachers), dedicated paraeducators, strong ELD and CCSS coaches, and committed special education teachers also provide students with solid specialized instruction. To address social and emotional needs, Mack teachers have integrated the 2nd Step social curriculum, and our psychological, counseling, and mental health services are available to address diagnosed needs. Mack's PBIS Tier 1 and Tier 2 programs are strong and include a calming room on campus, school staff and district student mentoring, and boosting attendance. Lastly, the Mustang Academy provides athletic and academic enrichment and music, as pillars of our after school program.

## Professional Development

Charles Mack teachers have either been trained or will be trained in how to use Guided Language Acquisition and Design (GLAD), Guided Reading, and close reading strategies to help Mack students develop skills and access information across contents. This year, our teachers have increased their use of social-emotional learning activities through the school-wide implementation of the Second Step Program. Our district has adopted Illuminate to provide common assessments which are used to inform instruction and guide lesson planning. Each staff member is also required to complete courses with the EPOCH Education program including Understanding the Power of Language Acquisition and Communicating and Partnering with All Families. The teaching staff has also been provided training for our new math program: Envision as well as sessions for effective small group instruction. Our district continues to provide professional development in a variety of areas of need and concern to our staff. At Mack, staff professional development is relevant and timely planned in an effort to meet the changing needs of our staff.
