

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Barbara Comstock Morse Elementary

Address: 7000 Cranleigh Avenue, Sacramento, CA 95823
Principal: Kilolo Umi

Phone: 916-688-8586
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

Welcome to Barbara Comstock Morse Elementary School, where "Knowledge Is Power!" Our focus remains strong addressing the needs of every student measurably learning in every classroom, in every subject, within a culturally responsive environment, every day. We offer Common Core aligned professional development, differentiated instruction, highly qualified teachers and involved parents. These are significant factors in our identification of distinction in 2004, 2005, 2008, 2009, 2011, 2012 and our noted California Dashboard progress in 2018, 2019 and 2023. We were inducted as a Gold Medal PBIS School for the 2022-23 and 2023-24 school years.

We collaborate with all stakeholders receiving and implementing input to ensure school-wide academic achievement and the continued emphasis on Positive Behavior Intervention Systems & Support (PBIS), strong AVID strategies performing arts, and athletics.

Overall, our highly trained staff, a challenging curriculum, PBIS, parent advisories, parent/community volunteers, and after school tutoring have continuously added to the enrichment of our student's education and academic performance; an achievement about which we can be very proud. These accomplishments can only be enhanced through our seamless partnership within the Monterey Trail High School region and select community partners.

Our school celebrates our ethnic, cultural, and linguistic diversity. Our entire school community works to create an atmosphere of caring and trust that supports safe and positive behavior and rewards achievement. With the planning and support of our parent advisories and community partners, our school's annual celebrations reflect our diversity emphasis with the following: the Rhythms of the World, National Elementary Honors Society, the Owls Book Fair, College & Career Week, the Harvest Festival, and We Both Read. We will continue to offer virtual opportunities, as well.

As a part of our Positive Behavior Intervention & Supports program (PBIS), we recite daily our school rules: Be Safe, Be Responsible, and Be Respectful and the school motto: "Attitude Affects Learning; Learning Brings Knowledge; Knowledge is Power!"

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Our school has 34 classrooms, a computer lab, a multipurpose room, a library, and an administration building. Our beautiful campus was opened in 1995. Our custodial and grounds team take great pride in maintain our facility in a clean, safe and functional condition. This provides an orderly environment for teaching and learning. The FIT inspection indicates that all areas such as the playground, quad, classrooms and resource rooms throughout the school are maintained appropriately and in accordance with safety guidelines.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

We are proud of our welcoming signage, upgraded parking lot in the front of our school offering a safer flow of traffic. Our school is also wired for wireless access across the campus, Interactive SMART Boards and security cameras. Our grounds have also been enhanced with a walking track and a new shade structure at the rear of the school. Thus, students have increased opportunity for safe and structured movement on their breaks, increasing the correlation of positive health to academic learning in the classrooms.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

We believe that parent involvement is a key indicator of student success! We celebrate the diversity of our community, virtually and digitally, and in accordance with public safety guidelines. The Catalyst Kids and ASES Academy operate within current public health guidelines, as well. We welcome you to volunteer on the PTO, School Site Council, WATCHDOGS, ELAC committee or the Safety Team. For more information, contact the Principal, Ms. Umi, or the Vice-Principal, Ms. Derus at (916) 688-8586.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2023 - 2024)

Your child's safety is important to us at Barbara Comstock Morse Elementary. Our district maintains COVID-19 guidelines for a safe, secure learning environment. Our staff and parent advisories reviewed and updated our School Safety Plan in February 2023. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. There is limited controlled access to the school, a visitor sign-in process, safety guidelines and supervision provided before and after school. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students. During school hours, all gates are kept locked to limit accessibility.

Types of Services Funded (Fiscal Year 2023 - 2024)

At our school, we have highly qualified staff to assist students with special learning needs. Our Learning Center department services special education students and general education students in need of additional support to meet academic standards. On site, we have a PBIS Wellness Counseling program providing on-site counseling and referrals. We offer bilingual services to assist our English Learner students and their families and differentiated learning opportunities for all students. Extra tutoring or homework help is provided during the school day and in extended day Reading and Math Academies, The Center Afterschool Academy and the Catalyst Kids Program. We also offer Pre-school early academic development and F.A.M.E. parent education workshops. Our intermediate students have also attended Science/Social Studies educational exploration virtually and away from the campus.

Professional Development

Our school and district offer various professional learning opportunities for teachers, paraeducators, and non-instructional support staff. Our school has a weekly Late Start schedule in which students came in late, allowing teachers to review/monitor student data and modify instruction accordingly. Our school maintains an emphasis in CCSS, Data Analysis, Writing, Technology, strong AVID strategies, and PBIS centered character education. Our region was the first to receive Restorative Practices training for all of our staff members. Our teachers take part in English Language Development training which increases students' understanding of English using comprehensible strategies. Special education teachers and paraeducators have numerous opportunities to learn how to best meet the needs of students with learning disabilities. This training is also shared through parent education workshops designed to increase the Home-School connection for overall student achievement. Finally, all school employees have begun a sequence of two-year training courses in the area of Diversity, Equity and Inclusion.
